Kabo is for women who break their corsets. Kabo can't be broken. We guarantee it not to break for a year; and the maker stands behind us.

And Kabo doesn't kink. To kink is almost as bad as to break. We guarantee it not to kink for a year; and the maker stands behind us.

If a single "bone" (we call it "bone," it isn't bone) of Kabo breaks or kinks in a year, bring your corset back to us and get your money. And, if the corset don't suit you after wearing a week or two or three, come back for your money.

There is a primer on Corsets for you at the store.
